Discipline

If a camper is not following camp guidelines and is not being respectful, responsible or safe, the camper will be given a strike. If a strike is given, the parent/guardian will be notified of the incident. If the camper is not following guidelines for a second time they will be given a second strike. If strike 2 is given, the parent/guardian will be called and will be asked to pick up their camper for the rest of the day. If the camper returns and is not following camp guidelines for the third time they will be given a third strike. The third strike means the camper will need to be picked up immediately and will not be allowed to return to camp for the rest of the summer.

However, it is at the full discretion of the camp director to remove a camper from camp and not allow the camper to return regardless of the 3 strike rule above if they see need to ensure

safety for campers and staff. If a camper is removed from camp for disciplinary reasons, the camper will not receive a refund or partial refund of any kind.
